***NOTE: This form must be typed prior to the weekly supervisory session; once the supervisory session is completed the field instructor must sign the agenda form. The student must then write a summary reflective statement and hand the completed form in at the Field Seminar session immediately following the supervisory session. NO LATE FORMS ACCEPTED FOR CREDIT.***

**Date of Supervisory Session:** 3/21/08      **Total Clock Hours Completed to Date:** 397.5 hrs.

**AGENDA ITEMS:**

*NOTE: Students should refer to activities on the learning agreement to develop supervisory agendas.*

1. I am collecting and analyzing field data for research in my field agency.
2. I am preparing my research findings for a formal presentation to staff members at my field agency.
3. I am compiling all research information in a binder for use of field agency.

**\*\*4.** *(specific field learning outcome activity focus)* I have closed two VOCA cases this week that were short-term which was a new learning experience for me.

**\*\*5.** *(personal/professional growth item of focus)* **I am beginning the termination with clients and am handling it with a great deal of professionalism. I am reminding the clients that they have always been Jennifer Curtis' clients and I have been assisting her during this time.**

**Signature of Field Instructor:** \_\_\_\_\_
